RAMSAY HEALTH CARE OCCUPANCY CONTINUES AT HIGH LEVELS

Leading hospital operator Ramsay Health Care said today occupancy at its hospitals is running at high levels and in line with expectations.

In response to market inquiries, Ramsay Health Care Managing Director Pat Grier said speculation about falling occupancy levels at its North Shore Private Hospital in Sydney were incorrect.

"Occupancy remains at the high levels experienced throughout this year and in line with our expectations. In fact, in some practice areas, there are waiting lists," Mr Grier said.

Mr Grier said Ramsay Health Care remains on track to meet consensus market forecasts for net profit in the current financial year to June 30.
