

## ASX ANNOUNCEMENT

1 July 2020

### TERMINATION OF WESTERN AUSTRALIAN COVID-19 AGREEMENT

Ramsay Health Care (**Ramsay**) confirms that it and the Western Australian Department of Health (**the Department**) have agreed to terminate the cooperation agreement that made Ramsay's WA facilities and services available during the COVID-19 pandemic with effect from 30 June 2020.

The decision has been made in light of the resumption of elective surgery and includes a right for the Department to direct Ramsay for a 12 month period from termination to sign a new agreement on the same terms as the original agreement. This right can be exercised if the Department or the Commonwealth Government reasonably form the view that this is necessary to ensure that the public and private health sectors can respond successfully to the COVID-19 pandemic.
